We're making this an Early Night,

with the **option to stay during the last 20 minutes to enjoy four short films together.**

These shorts review some of the estuary restoration projects completed/ongoing throughout the region.

Jot down questions that come up while we watch. We'll collect questions as we adjourn, and we'll get answers for you in a community email tomorrow, including links to watch these shorts again.

2:02 - [ESRP](#) (Funding for PNP)

2:05 - [Smith Island Tide Returns](#) (2018 in Snohomish County to the E)

6:26 [Duckabush Estuary Restoration plans](#) (to the South)

2:28 - [Willapa Bay Estuary Restoration](#) (2009: near Long Beach to the SW)
