GETTING READY FOR YOUR ZOOM MEETING:

Please log into the link, and feel free to ask a question about how to navigate on Zoom between 4:45 & 5:00... Erik is a great help. If you're having trouble with functions like RAISING YOUR HAND, or USING CHAT, he's happy to help.

Q: What do I do if I have a question?

A: Enter your Q in the Chat* ... We will have a limited amount of time for the County to answer questions. Questions for Jessica (and the Blue Coast Engineering team) will be fielded after her presentation this evening. We'll update the FAQ's on the [Project website](#) so others can learn from your questions.
